**Good Luck to All - Herman Hofsted**

# Dedicated To One Who Is Dedicated To People-

# Herman Hofstad

Herman Hofstad dedicated 17 years of his career as Superintendent at Milan High School- which is really people. The people were what made the school so that was first priority for Herman.

We will miss Herman around the school with his sence of humor and gentle way of handling problems. We're glad Herman will be in the community to continue to support the school as he has done with excellence in the past 17 years.

Thank You
Herman Hofstad

Beeps,

Boy, do I ever feel priveledged! The very 1st person to write in your annual! How about that! I'm sure your totally thrilled — your very own sister!

Well, I wish ya lots of luck in all your years ahead of you. Keep up the good grades and keep getting on the honor roll. Mom and Dad would really be upset if we didn't do that!

Keep up the good work in football and basketball. I'm still upset with you for not going out for wrestling! (just joking)

Take it easy - and don't be too rowdy. I don't want to have to water over my little brother all of the time!!

Your favorite sister,

Love,

Kreeps
